

Investment philosophy

The objective of the fund is to achieve capital growth and generate income by investing in instruments with a sensitivity to interest rates (effective duration) of less than 2. The assets will be primarily denominated in USD. The fund invests mainly in bonds, funds, ETFs, money market instruments and derivatives. The assets will be invested primarily in instruments with a minimum investment grade rating. The remaining assets may be invested in instruments in any currency and without limits on the rating of the issuer or geographical location. Derivatives are used with the aim of ensuring good portfolio management as well as for hedging purposes.
